R2R

Road 2 Relevance

CVSD is implementing a ten-year plan, known as the Road to Relevance (R2R) to ensure that every one of our 4,000+ students are prepared to thrive today and excel tomorrow in an ever-changing global society.

The goals of R2R are to provide equity, relevance and technology for all. R2R emphasizes innovative curriculum, meaningful professional development, and a focus on equitable access to technology.

Statistics:

3,016 new devices over five years
 1,640 new devices in 2019-2020
 Increased district bandwidth from 50 mbps to 450 mbps
 Increased to 236 WiFi access points
 Added 1 District Technology Specialist
 and Added a 7-12 R2R Integrator

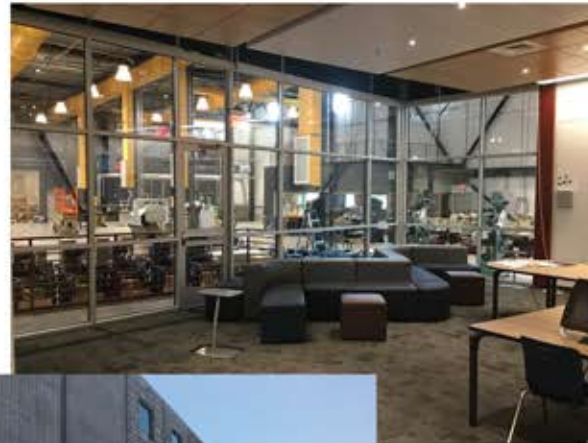

Provide over 120 hours of teacher training, including:
 32 hrs professional development R2R building (50 staff)
 16 hrs instructional coaching for NOHS teachers (5 staff)
 16 hrs coding instruction for CVIS teachers (15 staff)
 76 hrs Apple-provided training (250 educators)
 R2R Summer Camp -24 workshops in 2019 (88 people)

Colonial Career & Technology Center

The Colonial Career and Technology Center (CTC) is yet another step towards providing students with an education that will enable them to be successful in whatever path they choose.

Currently, CVFE has been able to provide over **\$2.5 million dollars** towards the building and equipment through the generous donations from local businesses and charitable foundations

Statistics:

25,000 square feet facility
 6 new courses in 2019-2020
 3 additional courses in 2020-2021
 11 trades with 12 new certifications
 700 students enrolled in 2020-21 CTC courses

We are already planning to expand the facility to accommodate more welding due to demand!

Teacher INNOVATION

In June 2019,
 13 grants
 were
 awarded by
 CVFE
 for a total of
 \$36,400

The CVFE Distribution Committee strives to augment and enrich the educational opportunities available to students by advancing innovation with support to individual teachers, instructional programs, and initiatives at all levels.
